

WA Internal Moderation Policy

The aim of this policy is to ensure that:

- internal moderation practices are valid and reliable, cover all tutors/assessors and meet the requirements of the awarding organisation
- the internal moderation procedures are fair and open
- accurate and detailed records are kept of internal moderation decisions

The centre will:

- ensure that all assessment activities are valid, appropriate and fit for purpose
- apply a strategy that will provide a representative sample across all tutor/assessors
- create a plan of internal moderation in relation to all assessment activities
- define, maintain and support effective internal moderation roles, including the provision of training where required
- provide standardised documentation to support internal moderation activity and record-keeping
- ensure that feedback and outcomes of internal and external moderation support future development of good practice
- carry out an annual evaluation and review of internal moderation policy and procedures

N.B. Some internal moderation policies include details of how a learner might appeal against an assessment decision. ASDAN's centre approval procedures require centres to provide such a policy, but it may be submitted separately.
